Hap. N, R. K. 2+3. may be read in order

The bill under advertance is on account of the batta & grass allowance due to the Palace Maluts that were temporarily working during the Khedda operations of 1902 with Sri K. Shanmugam. The latter submitted in his accounts that a Sum of Rs: 140-12-0 had been advanced to the Palace Maluts in this connection. But the Maluts report that they have received only Rs: 106. There is nothing to show which of these two is correct. But there is also nothing to hold Sri Shanmugam's accounts at a discount. In this view, the bill for Rs: 337-8-0, may be, subject to a deduction of Rs: 140-12-0 from it. This is the only point that is pending disposal in connection with the Palace accounts in its relation to the Khedda operations of 1902. [Sri Shanmugam's

Sir,

In reply to your no Fl 4447 / GL 130-03-9 dated 11th January 1906 in re the adjustment of a bill for Rs 337-8-0, on account of batta due to Palace Mahouts during the Khedda operation of 1902, I have the honor to submit that in a Demi official letter dated 3d April 1903, Mr M. Shamaiah, then Assistant Secretary with the Dewan, stated that the Palace mahouts have on the 10th February 1903, petitioned that Rs 219-8-0 were then due to them and asked me for information. With my Demi official letter dated 16th June 1903, I submitted a Statement showing the amount due to Palace mahouts and of advances made to them from time to time and explained to him the cause of the dispute regarding this claim. Again in no Fl 2181 / GL Fin. 130-03 dated

dated 6th October 1904, I was asked to furnish certain details as to the claim of the Palace Controller for Rs 230/- which I replied referring to the second para of my no 2 dated 3rd October 1905 wherein I have explained the several items for and against the Palace.

The bill of Rs (337-8-0), I think, is the same or similar to that referred to in Mr Shama Rao's D.O. letter and explained in mine referred to in the first para of this letter. Of this sum Rs 140-12-0, the first item shown as "advanced to mahouts towards their batta" in "the amounts due from the Palace" in my memorandum of the Palace Department accounts are to be deducted. If this is effected, the amount due from the Palace will have to be reduced to Rs 726-11-11- and consequently the balance due to come to Rs 438-3-11.

Referring to para 2 of your letter under reply in re Rs 230/- I beg to point out that it is evidently the amount detailed in the first marginal notes of para 2 of my no 2 dated 3rd October 1905 and I don't understand why the late Palace Controller did not take into account the other two advances of Rs 30 and 28-8-0 explained in my letter last quoted.
